Brian Minjire Wambugu

Personal Profile

I am honest, hard-working, self-motivated, independent, organized, and intelligent, and always work under minimum or no supervision in my work. I have the ability to work independently or as part of a team. I quickly adapt to new situations and changes and I create a positive working environment. I am a goal-oriented person and inventive in the workflow. I am always ready to learn new things and accommodate new ideas in my line of duty. I am attentive, ambitious, ethical, and dependable and always fulfil my obligations on time. I have excellent time management skills and the ability to work under pressure. I am patient, determined, and persistent, and have strong analytical skills.

I am seeking an opportunity whereby I can learn through experience and develop skills with the goal of assisting the organization achieve its objectives
